2023 FUND DRIVE

HELP US—HELP YOU!

Dear Friends and Neighbors,

It is that time of year - and our volunteers need your help!! We need your support more than ever to continue with the top-notch professional emergency services you have become accustomed to and deserve.

Why do we need your help?

- Did you know we are a volunteer organization? We do not have any paid firefighters and count on our community for their continued support.
- To fully and safely gear one firefighter costs roughly \$17,750.00. All gear and equipment has an expiry date, and after years of use can become worn beyond repair.

Cost breakdown is as follows:

- Bunker Coat & Pants - \$3,300.00
- Helmet & Protective Hood - \$450.00
- Boots & Gloves - \$500.00
- Airpack (SCBA) - \$7,000.00
- Portable Radio 2-Way fire service - \$6,500.00
- The average age of our current fleet of firetrucks in service is 20 years old. Costly repairs are performed constantly to maintain safe working order of all equipment.
- Our main goal for 2023 is to purchase a new Rescue Engine—at an estimated cost of \$800,000.00. A purchase this large requires your help and support.

Sincerely,

The Officers and Members of the Polk Township Volunteer Fire Company
