2024 FUND DRIVE

Polk Township Volunteer Fire Company appreciates donations you have made in the past and are again asking for your support. We rely heavily on the generous donations of our community to maintain the fleet of 7 apparatus and the lifesaving equipment on them, continuously purchase personal protective equipment for the responders, and to pay monthly expenses for two stations just like we all do at home. As we enter our 55th year of service, we continue to strive to provide the highest level of service to you, our community, and businesses, just as you deserve.
