2025 FUND DRIVE

The Polk Township Volunteer Fire Company appreciates your generous 2024 donation and hopes for your continued support into 2025. As a resident or property owner in our Township, you benefit from our 24/7 services throughout the year. In 2024, we successfully responded to 232 emergency calls. As our community continues to grow, so does the demand for our services. As 2025 marks our 56th year as an operating Fire Company, we remain dedicated to providing exceptional service to our community and local businesses. The generous donations we receive helps cover the essential costs of operating two stations, maintaining apparatus and equipment, outfitting our firefighters with rescue gear, and funding firefighter training. Your support ensures we remain ready and equipped to respond to emergencies. We are proud to announce we have attained the 50% level as part of the State Fire Commissioner's Training Recognition Program. Achieving a high percentage of firefighters who are State Certified, confirms to our members' dedication to training and service to their community. We welcome you to stop by any Monday night to see what the Company is about and how you can help. We're constantly seeking volunteers for firefighters, fire police, social members and Ladies Auxiliary to join our efforts. You're not just joining an organization; you are joining a family.

Sincerely, The Officers and Members of the Polk Township Volunteer Fire Company
